PROXY STATEMENT FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS To Be Held On June 7, 2006

GENERAL INFORMATION

This Proxy Statement is furnished in connection with a solicitation of proxies by the Board of Directors ("Board" or "Board of Directors") of MarketAxess Holdings Inc., a Delaware corporation ("MarketAxess," the "Company," "we" or "our"), to be used at our 2006 Annual Meeting of Stockholders scheduled for Wednesday, June 7, 2006, at 10:00 a.m., Eastern Daylight Time ("EDT"), at The New York Marriott Financial Center, 85 West Street, New York, New York 10006.

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and proxy card are first being mailed to stockholders on or about May 2, 2006. Whenever we refer in this Proxy Statement to the "Annual Meeting," we are also referring to any meeting that results from any postponement or adjournment of the June 7, 2006 meeting.

Holders of our common stock, par value \$0.003 per share (the "Common Stock"), as of the close of business on April 17, 2006, will be entitled to notice of, and to vote at the Annual Meeting. On that date, there were 26,171,809 shares of our Common Stock issued and outstanding.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you execute the attached proxy card, the individuals designated on that card will vote your shares according to your instructions. If any matter other than Proposals 1, 2 or 3 listed in the Notice of Annual Meeting of Stockholders is presented at the Annual Meeting, the designated individuals will, to the extent permissible, vote all proxies in the manner that the Board may recommend or, in the absence of such recommendation, in the manner they perceive to be in the best interests of the Company.

If you execute the enclosed proxy card but do not give instructions, your proxy will be voted as follows: FOR the election of the nominees for director named herein, FOR the approval of an amendment and restatement of our 2004 Stock Incentive Plan (the "Plan") increasing the number of shares that may be subject to awards thereunder by 6,670,000 shares, FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2006, and will be voted in accordance with the best judgment of the persons appointed as proxies with respect to any other matters which properly come before the Annual Meeting.

Information on how you may vote at the Annual Meeting (such as granting a proxy that directs how your shares should be voted, or attending the Annual Meeting in person), as well as how you can revoke a proxy, is contained in this Proxy Statement below under the headings *Solicitation of Proxies* and *Voting*.

SOLICITATION OF PROXIES

General

The attached proxy card allows you to instruct the designated individuals how to vote your shares. You may vote in favor of, against, or abstain from voting on any proposal. In addition, with respect to Proposal 1 (the election of directors), you may, if you desire, indicate on the proxy card that you are not authorizing the designated individuals to vote your shares for one or more of the nominees.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional soliciting materials furnished to stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation materials to such beneficial owners. In addition, we may reimburse such persons for their costs of forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by solicitation by telephone or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services. Except as described above, we do not presently intend to solicit proxies other than by mail.

VOTING

Stockholders entitled to vote and shares outstanding

You may vote your shares at the Annual Meeting only if you were a stockholder of record at the close of business on April 17, 2006 (the "Record Date"). As of the Record Date, 26,171,809 shares of our Common Stock were issued and outstanding.

How to vote

Submitting a proxy via mail, the Internet or telephone

You may submit your proxy with voting instructions by mail by following the instructions set forth on the enclosed proxy card. Specifically, if you are a stockholder of record on the Record Date you may vote by mailing your proxy card, with voting instructions, to the address listed on your proxy card.

If you hold your shares through a stock broker, nominee, fiduciary or other custodian, you may also be able to vote by calling the toll-free telephone number listed on your proxy card or visiting the website address listed on your proxy card. If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number noted on the enclosed proxy card before your proxy will be accepted. In addition to the instructions that appear on the enclosed proxy card, step-by-step instructions will be provided by recorded telephone message or at the designated website on the Internet. Votes submitted via the Internet or by telephone must be received by 11:59 p.m., EDT, on June 6, 2006 in order for them to be counted at the Annual Meeting.

Voting your shares in person at the Annual Meeting

You may also attend the Annual Meeting and vote your shares in person by ballot. If you plan to attend the Annual Meeting you will need to bring proof of your ownership of our Common Stock as of the close of business on April 17, 2006, the Record Date. If you hold shares in "street name" (that is, through a bank, broker or other nominee) and would like to attend the Annual Meeting and vote in person, you will need to bring an account statement or other acceptable evidence of ownership of Common Stock as of the close of business on April 17, 2006. Alternatively, in order to vote, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the Annual Meeting.

Revoking a proxy

A proxy that was submitted by mail may be revoked at any time before it is exercised by (1) giving written notice revoking the proxy to our General Counsel and Corporate Secretary at MarketAxess Holdings Inc., 140 Broadway, 42nd Floor, New York, NY 10005, (2) subsequently filing another proxy bearing a later date or (3) attending the Annual Meeting and voting in person by ballot.

[Table of Contents](#)

A proxy that was submitted via the Internet or by telephone may be revoked at any time before it is exercised by (1) executing a later-dated proxy card via the Internet or by telephone or (2) attending the Annual Meeting and voting in person by ballot.

Your attendance at the Annual Meeting in and of itself will not automatically revoke a proxy that was submitted via the Internet, by telephone or by mail.

Broker authority to vote

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares held in street name. These proxy materials are being forwarded to you by your broker or nominee, who is considered to be the holder of record with respect to your shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote by filling out the voting instruction form provided by your broker or nominee. Telephone and Internet voting options may also be available to beneficial owners. As a beneficial owner, you are also invited to attend the Annual Meeting, but you must obtain a proxy from the holder of record of your shares in order to vote in person at the Annual Meeting.

If your shares are held in street name, your broker or nominee will ask you how you want your shares to be voted. If you provide voting instructions, your shares must be voted as you direct. If you do not furnish voting instructions, one of two things can happen, depending upon whether a proposal is "routine." Under the rules that govern brokers that have record ownership of shares beneficially owned by their clients, brokers have discretion to cast votes on routine matters, such as the election of directors and ratification of the appointment of independent registered public accounting firms, without voting instructions from their clients. Brokers are not permitted, however, to cast votes on "non-routine" matters without such voting instructions. A "broker non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

Quorum

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum, permitting the Annual Meeting to conduct its business. Subject to the rules regarding the votes necessary to adopt the proposals discussed below, abstentions and broker non-votes (as described above) will be counted for purposes of determining whether a quorum is present. Once a share is represented for any purpose at the Annual Meeting, it will be deemed present for quorum purposes for the remainder of the Annual Meeting (including any meeting resulting from an adjournment or postponement of the Annual Meeting, unless a new record date is set).

Votes necessary to approve each proposal

Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting, either in person or by proxy, is required for the election of directors. This means that the individuals who receive the highest number of votes will be elected as directors, up to the maximum number of directors to be chosen at the Annual Meeting.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the item will be required for approval.

Abstentions and broker non-votes will not be voted either in favor of or against any of the proposals. For the election of directors, which requires a plurality of the votes cast, votes withheld from one or more nominees will be excluded entirely from the vote and will have no effect on the outcome. For the approval of an amendment and restatement of the Plan increasing the number of shares that may be subject to awards thereunder by 6,670,000 shares and for the ratification of our independent registered public accounting firm, each of which proposals will be decided by the affirmative vote of a majority of the votes cast, abstentions will be counted for purposes of determining the number of votes cast on the proposal and will have the same effect

[Table of Contents](#)

as negative votes, but broker non-votes will not be counted as shares present and entitled to vote with respect to matters on which the broker has not expressly voted.

Certain stockholder-related matters

We have not received notice of any stockholder proposals that may be properly presented at the Annual Meeting. For information regarding inclusion of stockholder proposals in our 2007 Annual Meeting, see the information in this Proxy Statement under the section heading *Other Matters — Stockholder Proposals for 2007 Annual Meeting*.

AVAILABILITY OF CERTAIN DOCUMENTS

Householding of Annual Meeting materials

Some banks, brokers and other nominee record holders may participate in the practice of “householding” proxy statements and their accompanying documents. This means that only one copy of our Proxy Statement is sent to multiple stockholders in your household. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department at MarketAxess Holdings Inc., 140 Broadway, 42nd Floor, New York, NY 10005 or 212-813-6000. If you want to receive separate copies of our proxy statements in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

Additional information

We are required to file annual, quarterly and current reports, proxy statements and other reports with the Securities and Exchange Commission (“SEC”). Copies of these filings are available through our Internet website at www.marketaxess.com or the SEC’s website at www.sec.gov. We will furnish copies of our SEC filings (without exhibits), including our Annual Report on Form 10-K for the year ended December 31, 2005, without charge to any stockholder upon written or oral request to our Investor Relations Department at MarketAxess Holdings Inc., 140 Broadway, 42nd Floor, New York, NY 10005 or 212-813-6000.

PROPOSAL 1 — ELECTION OF DIRECTORS

The first proposal to be voted on at the Annual Meeting is the election of directors. The directors will be elected for a term which begins at the 2006 Annual Meeting of Stockholders and ends at the 2007 Annual Meeting of Stockholders. Each director will hold office until such director’s successor has been elected and qualified, or until such director’s earlier resignation or removal.

Your vote

If you sign the enclosed proxy card and return it to the Company, your proxy will be voted **FOR** all directors, for terms expiring in 2007, unless you specifically indicate on the proxy card that you are withholding authority to vote for one or more of the nominees.

A plurality of the votes cast by stockholders entitled to vote at the Annual Meeting is required for the election of directors. Accordingly, the directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Board recommendation

The Board recommends that you vote “FOR” the election of each of the following nominees:

Richard M. McVey
Stephen P. Casper
David G. Gomach
Carlos M. Hernandez
Ronald M. Hersch
Wayne D. Lyski
Jerome S. Markowitz
Nicolas S. Rohatyn

Each of these nominees is currently serving as a director on our Board, and each nominee has agreed to serve on the Board if he is elected. If any nominee is unable (or for whatever reason declines) to serve as a director at any time before the Annual Meeting, proxies may be voted for the election of a qualified substitute designated by the current Board, or else the size of the Board will be reduced accordingly.

Biographical information about each of the nominees is included under *Director information* below.

How nominees to our Board are selected

Candidates for election to our Board of Directors are nominated by our Nominating Committee (the "Nominating Committee") and ratified by our full Board of Directors for nomination to the stockholders. The Committee operates under a charter, which is available on our corporate website at www.marketaxess.com.

The Nominating Committee will give due consideration to candidates recommended by stockholders. Stockholders may recommend candidates for the Nominating Committee's consideration by submitting such recommendations directly to the Nominating Committee by mail or electronically. In making recommendations, stockholders should be mindful of the discussion of minimum qualifications set forth in the following paragraph. However, just because a recommended individual meets the minimum qualification standards does not imply that the Nominating Committee will necessarily nominate the person so recommended by a stockholder. The Nominating Committee may engage outside search firms to assist in identifying or evaluating potential nominees. We did not employ outside search firms or pay fees to other third parties in connection with seeking or evaluating any of the Board nominee candidates or any potential Board nominee candidate.

[Table of Contents](#)

The Nominating Committee believes that the minimum qualifications for serving on our Board are that a nominee have substantial experience working as an executive officer for, or serving on the board of, a public company, or that he or she demonstrates by significant accomplishment in another given field of endeavor, an ability to make a meaningful contribution to the oversight and governance of a company having a scope and size similar to our Company. A director must have an exemplary reputation and record for honesty in his or her personal dealings and business or professional activity. All directors should possess a basic understanding of financial matters; have an ability to review and understand the Company's financial and other reports; and be able to discuss such matters intelligently and effectively. He or she also needs to exhibit qualities of independence in thought and action. A candidate should be committed first and foremost to the interests of the stockholders of the Company. Persons who represent a particular special interest, ideology, narrow perspective or point of view would not, therefore, generally be considered good candidates for election to our Board.

Board committees

The Audit Committee of our Board of Directors reviews, acts on and reports to our Board of Directors with respect to various auditing and accounting matters, including the recommendation of our independent registered public accounting firm, the scope of the annual audits, the fees to be paid to the independent registered public accounting firm, the performance of the independent registered public accounting firm and our accounting practices. The Audit Committee currently consists of Messrs. Casper (Chair), Gomach and Markowitz. The Board of Directors has determined that each member of the Audit Committee is an independent director in accordance with NASDAQ listing standards and that Mr. Casper and Mr. Gomach are both Audit Committee financial experts, as defined by SEC guidelines and as required by the applicable NASDAQ listing standards.

The Compensation Committee of the Board of Directors recommends, reviews and oversees the salaries, benefits and stock option plans for our employees, consultants, directors (other than non-employee directors) and other individuals whom we compensate. The Compensation Committee also administers our compensation plans. The Compensation Committee currently consists of Messrs. Lyski and Rohatyn. The Board of Directors has determined that each member of the Compensation Committee is an independent director in accordance with NASDAQ listing standards.

The Nominating Committee of the Board of Directors will select nominees for director positions to be recommended by our Board of Directors for election as directors and for any vacancies in such positions. The Nominating Committee currently consists of Messrs. Casper and Rohatyn. The Board of Directors has determined that each member of the Nominating Committee is an independent director in accordance with NASDAQ listing standards.

Meetings and attendance

During the year ended December 31, 2005, the full Board held five meetings; the Audit Committee held nine meetings; the Compensation Committee held one meeting and acted by unanimous written consent on five other occasions; and the Nominating Committee held one meeting and acted by unanimous written consent on one other occasion. We expect each director to attend each meeting of the full Board and of committees on which he serves and to attend the annual meeting of stockholders. All directors attended at least 75% of the meetings of the full Board and the meetings of the committees on which they served.

Communicating with our Board members

Although our Board of Directors has not adopted a formal process for stockholder communications with the Board, we make every effort to ensure that the views of stockholders are heard by the Board or by individual directors, as applicable, and we believe that this has been an effective process to date. Stockholders may communicate with the Board by sending a letter to the MarketAxess Holdings Inc. Board of Directors, c/o General Counsel, 140 Broadway, 42nd Floor, New York, New York 10005. The General Counsel will receive the correspondence and forward it to the Chairman of the Board or to any individual director or

[Table of Contents](#)

directors to whom the communication is directed, as appropriate. Notwithstanding the above, the General Counsel has the authority to discard or disregard any communication which is unduly hostile, threatening, illegal or otherwise inappropriate or to take any other appropriate actions with respect to such communications.

In addition, any person, whether or not an employee, who has a concern about the conduct of the Company or our employees, including with respect to our accounting, internal accounting controls or auditing issues, may, in a confidential or anonymous manner, communicate that concern in writing by addressing a letter to the Chairman of the Audit Committee, c/o Corporate Secretary, at our corporate headquarters address, which is 140 Broadway, 42nd Floor, New York, New York 10005, or electronically, at our corporate website, www.marketaxess.com under the heading *Investors — Board of Directors — Confidential Ethics Web Form*.

Director compensation

Other than Richard M. McVey, who is our only director who is also an employee, each non-employee director other than Mr. Hernandez receives an annual retainer equal to \$40,000. The chairman of the Audit Committee receives a supplemental annual retainer of \$7,500 and the chairman of the Compensation Committee receives a supplemental annual retainer of \$5,000. In addition, each non-employee director other than Mr. Hernandez receives \$1,000 for each meeting of our Board of Directors, \$2,000 for each meeting of the Audit Committee and \$1,000 for each meeting of the Compensation Committee and the Nominating Committee, which the director attends. In August 2005, we issued 5,000 shares of restricted stock and 5,000 stock options to each non-employee director. At the date of issuance, the restricted stock and stock options had a fair value of \$10.04 per share. The Board of Directors recommends, reviews and oversees the stock option plans for our non-employee directors. Mr. Hernandez' employer, JPMorgan, does not permit Mr. Hernandez to receive compensation for his service as a director and, therefore, he receives no cash payments or grants of restricted stock or stock options from us. In the future, we expect to continue to compensate our non-employee directors with a combination of cash and grants of stock or stock options.

Corporate governance documents

The Board has adopted a Code of Conduct that applies to all officers, directors and employees, and a Code of Ethics for the Chief Executive Officer and Senior Financial Officers. Both the Code of Conduct and the Code of Ethics for the Chief Executive Officer and Senior Financial Officers, as well as any amendments to, or waivers under, the Code of Ethics for the Chief Executive Officer and Senior Financial Officers, can be accessed in the *Investors — Corporate Governance* section of our website at www.marketaxess.com. You may also obtain a copy of these documents by writing to MarketAxess Holdings Inc., 140 Broadway, 42nd Floor, New York, New York 10005, Attention: Investor Relations.

PROPOSAL 2 — APPROVAL OF AMENDMENT AND RESTATEMENT OF THE 2004 STOCK INCENTIVE PLAN

The second proposal to be voted upon at the Annual Meeting is approval of an amendment and restatement of the MarketAxess Holdings Inc. 2004 Stock Incentive Plan (the "Plan"), to, among other things, increase the number of shares authorized for issuance under the Plan from 3,084,802 (of which 55,049 shares are currently available for grant) to 9,754,802 shares and to authorize awards that comply with the "performance-based compensation" exception under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board approved the amended and restated Plan effective April 28, 2006, subject to stockholder approval.

[Table of Contents](#)

The Board believes that increasing the number of shares of Common Stock reserved for issuance under the Plan is necessary to insure that a sufficient reserve of Common Stock remains available for issuance to allow the Company to continue to utilize equity incentives to attract and retain the services of key individuals essential to the Company's long-term growth and financial success. The Company currently relies significantly on equity incentives in the form of stock option and restricted stock grants in order to attract and retain key employees and believes that equity incentives are necessary for the Company to remain competitive in the marketplace for executive talent and other employees. Equity grants made to newly-hired or continuing employees will be based on both competitive market conditions and individual performance.

Section 162(m) of the Code generally disallows a federal income tax deduction to public companies for compensation over \$1,000,000 in any taxable year paid to its chief executive officer or its four other most highly compensated executive officers. Certain compensation, including qualified "performance-based compensation," is not subject to the deduction limitation if certain requirements are met. The Plan is currently exempt from Section 162(m) of the Code under a transition rule relating to our initial public offering. The transition rule, however, will not be available after the amendment and restatement of the Plan takes effect. The Board believes it is important to retain the ability to grant incentive compensation that qualifies as "performance-based" compensation in order to retain the corporate tax deductibility of the payments.

Summary of the Plan

The following description of the Plan is a summary, taking into account the recent amendments, and is qualified in its entirety by reference to the Plan, a copy of which is attached as [Appendix A](#).

Purpose. The purpose of the Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer eligible employees, consultants, and non-employee directors stock-based incentives in the Company, thereby creating a means to raise the level of equity ownership by such individuals in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and the Company's stockholders.

Administration. The Plan is administered by a committee, which is intended to consist of two or more non-employee directors, each of whom will be, to the extent required, a non-employee director as defined in Rule 16b-3 of the Securities Exchange Act of 1934, as amended, an outside director as defined under Section 162(m) of the Code and an independent director as defined under NASD Rule 4200(a)(15) (the "Committee"); provided that with respect to the application of the Plan to non-employee directors, the Plan will be administered by the Board (and references to the Committee include the Board for this purpose). Currently, the Compensation Committee of the Board serves as the Committee under the Plan.

The Committee has full authority to administer and interpret the Plan, to grant awards under the Plan, to determine the persons to whom awards will be granted, to determine the types of awards to be granted, to determine the terms and conditions of each award, to determine the number of shares of common stock to be covered by each award and to make all other determinations in connection with the Plan and the awards thereunder as the Committee, in its sole discretion, deems necessary or desirable. The terms and conditions of individual awards are set forth in written agreements that are consistent with the terms of the Plan. Awards under the Plan may not be made on or after April 1, 2014, except that awards (other than stock options or stock appreciation rights) that are intended to be "performance-based" under Section 162(m) of the Code will not be made after the fifth anniversary of the approval of the amendment and restatement of the Plan by the Company's stockholders unless the performance goals are re-approved (or other designated performance goals are approved) by the stockholders.

Available Shares. The aggregate number of shares of common stock which may be issued or used for reference purposes under the Plan or with respect to which awards may be granted may not exceed 9,754,802 shares, which may be either authorized and unissued common stock or common stock held in or acquired for the treasury of the Company. With respect to stock appreciation rights settled in common stock, only the number of shares of common stock delivered to a participant (based on the difference between fair market value of the shares of common stock subject to such stock appreciation right on the date such stock appreciation right is exercised and the exercise price of such stock appreciation right) will count against the

[Table of Contents](#)

aggregate and individual share limitations set forth under the Plan. In general, if awards under the Plan are cancelled for any reason, or expire or terminate unexercised, the shares covered by such awards will again be available for the grant of awards under the Plan.

The maximum number of shares of common stock with respect to which any award of stock options, stock appreciation rights, shares of restricted stock or other stock based awards for which the grant of such award or the lapse of the relevant restriction period is subject to the attainment of specified performance goals intended to satisfy Section 162(m) of the Code that may be granted under the Plan during any fiscal year to any eligible employee or consultant will be 950,000 shares (per type of award). The maximum number of shares of common stock for all types of awards will be 1,900,000 shares during any fiscal year. There are no annual limits on the number of shares of common stock with respect to an award of restricted stock that is not subject to the attainment of specified performance goals to eligible employees or consultants. The maximum number of shares of common stock with respect to which performance shares may be granted under the Plan during any fiscal year will be 200,000 shares. The maximum value at grant of performance units which may be granted under the Plan during any fiscal year will be \$500,000. The maximum number of shares of common stock subject to any award which may be granted under the Plan during any fiscal year of the Company to any non-employee director will be 50,000 shares.

The Committee may appropriately adjust the above individual maximum share limitations, the aggregate number of shares of common stock available for the grant of awards and the exercise price of an award in accordance with the Plan to reflect any change in our capital structure or business by reason of certain corporate transactions or events.

Eligibility and Types of Awards. All of our employees, consultants and non-employee directors are eligible to be granted nonqualified stock options, stock appreciation rights, restricted stock, performance shares, performance units, and other stock-based awards. In addition, our employees and employees of our affiliates that qualify as subsidiaries or parent corporations (as defined under Section 424 of the Code) are eligible to be granted incentive stock options under the Plan. Unless otherwise determined by the Committee at grant, awards granted under the Plan are subject to termination or forfeiture if the recipient engages in Detrimental Activity (as defined in the Plan) prior to, or during the one year period after any vesting or exercise of the award.

Stock Options. The Committee may grant nonqualified stock options and incentive stock options (only to eligible employees) to purchase shares of common stock. The Committee will determine the number of shares of common stock subject to each option, the term of each option (which may not exceed ten years (or five years in the case of an incentive stock option granted to a 10% stockholder)), the exercise price, the vesting schedule (if any), and the other material terms of each option. No stock option may have an exercise price less than the fair market value of the common stock at the time of grant (or, in the case of an incentive stock option granted to a 10% stockholder, 110% of fair market value).

Options will be exercisable at such time or times and subject to such terms and conditions as determined by the Committee at grant and the exercisability of such options may be accelerated by the Committee in its sole discretion. Upon the exercise of an option, the participant must make payment of the full exercise price, either (i) in cash, check, bank draft or money order; (ii) solely to the extent permitted by law, through the delivery of irrevocable instructions to a broker reasonably acceptable to the Company to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as a may be acceptable to the Committee.

Stock Appreciation Rights. The Committee may grant stock appreciation rights ("SARs") either with a stock option which may be exercised only at such times and to the extent the related option is exercisable ("Tandem SAR") or independent of a stock option ("Non-Tandem SAR"). A SAR is a right to receive a payment in common stock or cash (as determined by the Committee) equal in value to the excess of the fair market value of one share of common stock on the date of exercise over the exercise price per share established in connection with the grant of the SAR. The exercise price per share of common stock subject to a SAR may not be less than fair market value at the time of grant. The Committee may also grant "limited SARs," either as Tandem SARs or Non-Tandem SARs, which may become exercisable only upon the

[Table of Contents](#)

occurrence of a change in control (as defined in the Plan) or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter.

Restricted Stock. The Committee may award shares of restricted stock. Except as otherwise provided by the Committee upon the award of restricted stock, the recipient generally has the rights of a stockholder with respect to the shares, subject to the conditions and restrictions generally applicable to restricted stock or specifically set forth in the recipient's restricted stock agreement.

Recipients of restricted stock are required to enter into a restricted stock agreement with the Company which states the restrictions to which the shares are subject, which may include satisfaction of pre-established performance goals, and the criteria or date or dates on which such restrictions will lapse.

If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulas or standards while the outcome of the performance goals are substantially uncertain.

Performance Shares. The Committee may award performance shares. A performance share is the equivalent of one share of common stock. The recipient of a grant of performance shares will specify one or more performance criteria to meet within a specified period determined by the Committee at the time of grant. A minimum level of acceptable achievement will also be established by the Committee. If, by the end of the performance period, the recipient has achieved the specified performance goals, he or she will be deemed to have fully earned the performance shares. To the extent earned, the performance shares will be paid to the recipient at the time and in the manner determined by the Committee in cash, shares of common stock or any combination thereof.

Performance Units. The Committee may award performance units. Performance units will have a fixed dollar value. A performance unit is the right to receive common stock or cash of equivalent value. The recipient of a grant of performance units will specify one or more performance criteria to meet within a specified performance cycle determined by the Committee at the time of grant. A minimum level of acceptable achievement will also be established by the Committee. If, by the end of the performance cycle, the recipient has achieved the specified performance goals, he or she will be deemed to have fully earned the performance units. To the extent earned, the performance units will be paid to the recipient at the time and in the manner determined by the Committee in cash, shares of common stock or any combination thereof.

Other Stock-Based Awards. The Committee may, subject to limitations under applicable law, make a grant of such other stock-based awards (including, without limitation, stock equivalent units, restricted stock units, and awards valued by reference to book value of shares of common stock) under the Plan that are payable in cash or denominated or payable in or valued by shares of common stock or factors that influence the value of such shares. The Committee will determine the terms and conditions of any such other awards, which may include the achievement of certain minimum performance goals for purposes of compliance with Section 162(m) of the Code and/or a minimum vesting period.

Performance Goals. Code Section 162(m) requires that performance awards be based upon objective performance measures. If an award is intended to be "performance based" under Code Section 162(m), the performance goals will be based on one or more of the following criteria with regard to the Company (or any subsidiary, division or other operational unit of the Company):

- the attainment of certain target levels of, or a specified increase in, enterprise value or value creation targets;
- the attainment of certain target levels of, or a percentage increase in, after-tax or pre-tax profits, including that attributable to continuing and/or other operations;
- the attainment of certain target levels of, or a specified increase in, operational cash flow;

Table of Contents

- the attainment of a certain level of reduction of, or other specified objectives with regard to limiting the level of increase in all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee;
- the attainment of a specified percentage increase in earnings per share or earnings per share from continuing operations;
- the attainment of certain target levels of, or a specified percentage increase in, net sales, revenues, net income or earnings before income tax or other exclusions;
- the attainment of certain target levels of, or a specified percentage increase in, return on capital employed or return on invested capital;
- the attainment of certain target levels of, or a specified percentage increase in, after-tax or pre-tax return on stockholder equity;
- the attainment of certain target levels in the fair market value of the shares of the Company's common stock;
- the growth in the value of an investment in the Company's common stock assuming the reinvestment of dividends; or
- a transaction that results in the sale of all or substantially all of the stock or assets of the Company.

In addition, performance goals may be based upon the attainment of specified levels of Company (or subsidiary, division or other operational unit of the Company) performance under one or more of the measures described above relative to the performance of other corporations.

To the extent permitted under Section 162(m) of the Code (including, without limitation, compliance with any requirements for shareholder approval), the Committee may: (i) designate additional business criteria on which the performance goals may be based; or (ii) adjust, modify or amend the aforementioned business criteria.

Change in Control. Unless otherwise determined by the Committee at the time of grant, awards subject to vesting and/or restrictions will not accelerate and vest or cause the lapse of restrictions upon a change in control (as defined in the Plan) of the Company. Instead, such awards will be, in the discretion of the Committee, (i) assumed and continued or substituted in accordance with applicable law; or (ii) purchased by the Company for an amount equal to the excess of the price of the Company's common stock paid in a change in control over the exercise price of the award(s). The Committee may also, in its sole discretion, provide for accelerated vesting or lapse of restrictions of an award at any time.

Amendment and Termination. Notwithstanding any other provision of the Plan, the Board may at any time amend any or all of the provisions of the Plan, or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided in the Plan, the rights of a participant with respect to awards granted prior to such amendment, suspension or termination may not be adversely affected without the consent of such participant, and provided further that the approval of our stockholders will be obtained to the extent required by applicable law.

Miscellaneous. Awards granted under the Plan are generally nontransferable (other than by will or the laws of descent and distribution), except that the Committee may provide for the transferability of nonqualified stock options at the time of grant or thereafter to certain family members.

Certain U.S. Federal Income Tax Consequences. The rules concerning the federal income tax consequences with respect to options granted and to be granted pursuant to the Plan are quite technical. Moreover, the applicable statutory provisions are subject to change, as are their interpretations and applications, which may vary in individual circumstances. Therefore, the following is designed to provide a general understanding of the federal income tax consequences. In addition, the following discussion does not set forth any gift, estate, social security or state or local tax consequences that may be applicable and is limited

[Table of Contents](#)

to the U.S. federal income tax consequences to individuals who are citizens or residents of the U.S., other than those individuals who are taxed on a residence basis in a foreign country.

Incentive Stock Options. In general, an employee will not realize taxable income upon either the grant or the exercise of an incentive stock option and the Company will not realize an income tax deduction at either such time. In general, however, for purposes of the alternative minimum tax, the excess of the fair market value of the shares of common stock acquired upon exercise of an incentive stock option (determined at the time of exercise) over the exercise price of the incentive stock option will be considered income. If the recipient was continuously employed on the date of grant until the date three months prior to the date of exercise and such recipient does not sell the common stock received pursuant to the exercise of the incentive stock option within either (i) two years after the date of the grant of the incentive stock option or (ii) one year after the date of exercise, a subsequent sale of the common stock will result in long-term capital gain or loss to the recipient and will not result in a tax deduction to the Company.

To the extent that the aggregate fair market value (determined as of the time of grant) of the common stock with respect to which incentive stock options are exercisable for the first time by an eligible employee during any calendar year under the Plan and/or any other stock option plan of the Company, any subsidiary or any parent exceeds \$100,000, such options will be treated as nonqualified stock options. In addition, if the recipient is not continuously employed on the date of grant until the date three months prior to the date of exercise or such recipient disposes of the common stock acquired upon exercise of the incentive stock option within either of the above-mentioned time periods, the recipient will generally realize as ordinary income an amount equal to the lesser of (i) the fair market value of the common stock on the date of exercise over the exercise price, or (ii) the amount realized upon disposition over the exercise price. In such event, subject to the limitations under Sections 162(m) and 280G of the Code (as described below), the Company generally will be entitled to an income tax deduction equal to the amount recognized as ordinary income. Any gain in excess of such amount realized by the recipient as ordinary income would be taxed at the rates applicable to short-term or long-term capital gains (depending on the holding period).

Nonqualified Stock Options. A recipient will not realize any taxable income upon the grant of a nonqualified stock option and the Company will not receive a deduction at the time of such grant unless such option has a readily ascertainable fair market value (as determined under applicable tax law) at the time of grant. Upon exercise of a nonqualified stock option, the recipient generally will realize ordinary income in an amount equal to the excess of the fair market value of the common stock on the date of exercise over the exercise price. Upon a subsequent sale of the common stock by the recipient, the recipient will recognize short-term or long-term capital gain or loss depending upon his or her holding period for the common stock. Subject to the limitations under Sections 162(m) and 280G of the Code (as described below), the Company will generally be allowed a deduction equal to the amount recognized by the recipient as ordinary income.

All Options. With regard to both incentive stock options and nonqualified stock options, the following also apply: (i) any of our officers and directors subject to Section 16(b) of the Securities Exchange Act of 1934, as amended, may be subject to special tax rules regarding the income tax consequences concerning their stock options, (ii) any entitlement to a tax deduction on the part of the Company is subject to the applicable tax rules (including, without limitation, Section 162(m) of the Code regarding the \$1,000,000 limitation on deductible compensation), and (iii) in the event that the exercisability or vesting of any award is accelerated because of a change in control, payments relating to the awards (or a portion thereof), either alone or together with certain other payments, may constitute parachute payments under Section 280G of the Code, which excess amounts may be subject to excise taxes and may be nondeductible by the Company.

In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and four other executive officers whose compensation is disclosed in its proxy statement, subject to

[Table of Contents](#)

certain exceptions. Options will generally qualify under one of these exceptions if they are granted under a plan that states the maximum number of shares with respect to which options may be granted to any recipient during a specified period of time and the plan under which the options are granted is approved by stockholders and is administered by a committee comprised of outside directors. The Plan is intended to satisfy these requirements with respect to options. The Plan also is intended to permit the grant of certain performance awards that will not be subject to the Section 162(m) deduction limit.

The Plan is not subject to any of the requirements of the Employee Retirement Income Security Act of 1974, as amended. The Plan is not, nor is it intended to be, qualified under Section 401(a) of the Code.

Future Plan Awards. The Company anticipates that other equity-based awards may be granted to the other named individuals as well as to other employees, officers, non-employee directors and consultants under the Plan. However, the amount of shares of Common Stock that may be granted to the named individuals will be based upon various prospective factors, including, the nature of services to be rendered by our employees, officers, non-employee directors and consultants, and their potential contributions to our success. Accordingly, actual awards cannot be determined at this time.

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal.

PROPOSAL 3 — RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board has appointed the firm of PricewaterhouseCoopers LLP ("PwC") as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2006, and the Board is asking stockholders to ratify that selection. Although current law, rules and regulations, as well as the charter of the Audit Committee, require our independent registered public accounting firm to be engaged, retained and supervised by the Audit Committee, the Board considers the selection of our independent registered public accounting firm to be an important matter of stockholder concern and considers a proposal for stockholders to ratify such selection to be an important opportunity for stockholders to provide direct feedback to the Board on an important issue of corporate governance. In the event that stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain PwC, but may ultimately determine to retain PwC as our independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee currently consists of Messrs. Casper (Chair), Gomach, and Markowitz. Each member of the Audit Committee is independent, as independence is defined for purposes of Audit Committee membership by the listing standards of NASDAQ and the applicable rules and regulations of the SEC. The Board has determined that each member of the Audit Committee is financially literate, in other words, is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement, as required by NASDAQ rules. In addition, the Board has determined that both Mr. Casper and Mr. Gomach satisfy the NASDAQ rule requiring that at least one member of our Board's Audit Committee have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the member's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. The Board has also determined that both Mr. Casper and Mr. Gomach are "financial experts" as defined by the SEC.

Employment agreements with our Named Executive Officers

Richard M. McVey employment agreement

In March 2004, we entered into an employment agreement with Richard M. McVey, which supersedes the prior employment letter he entered into with us. The agreement provides that Mr. McVey will be employed by us as President, Chief Executive Officer and Chairman of the Board of Directors, and his employment may be terminated by him or by us at any time. Mr. McVey's annual base salary under the letter is \$300,000 per year. Mr. McVey is also eligible to receive an annual bonus in accordance with the MarketAxess Holdings Inc. 2004 Annual Performance Incentive Plan and is entitled to participate in all benefit plans and programs available to our other senior executives, at a level commensurate with his position.

If Mr. McVey's employment is terminated outside the "change in control protection period" (as defined in the agreement and below), other than by Mr. McVey voluntarily without "good reason," or by us as a result of a "cause event" (as each such term is defined in the agreement), subject to Mr. McVey's execution of a general release of claims, Mr. McVey will:

- continue to be paid his annual rate of base salary for a period of twelve months after termination;
- receive an amount equal to the average cash bonus Mr. McVey received from us for the prior three completed calendar years, payable in twelve approximately equal monthly installments; and
- continue to receive health coverage for himself (and eligible dependents), if he so elects, for up to twelve months after such termination.

If Mr. McVey's employment is terminated within three months prior to, or on or within eighteen months after, a "change in control" (as defined in our 2004 Stock Incentive Plan) (the "change in control protection period") other than:

- by Mr. McVey voluntarily without "good reason,"
- as a result of Mr. McVey's death, or
- by us as a result of a "cause event,"

in lieu of the foregoing payments and benefits, and subject to Mr. McVey's execution of a general release of claims, Mr. McVey will:

- continue to be paid his annual rate of base salary for a period of twenty-four months after termination;
- receive an amount equal to two times the average cash bonus Mr. McVey received from us for the prior three completed calendar years, payable in twenty-four approximately equal monthly installments; and
- continue to receive health coverage for himself (and eligible dependents) at our expense, if he so elects, for up to eighteen months after such termination.

Mr. McVey is under no obligation to seek other employment and there will be no offset against any amounts payable to Mr. McVey as a result of his termination of employment on account of any remuneration he receives that is attributable to any subsequent employment.

Mr. McVey will continue to be subject to the confidential information, intellectual property and non-competition agreement that he previously executed. The terms of this agreement provide, in part, that Mr. McVey will not compete with us through his participation in any business in competition with any business conducted by us or any business we propose to conduct until one year after the termination of his employment or service relationship with us.

In the event any payments or benefits made by us to Mr. McVey become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, Mr. McVey will be paid a reduced amount equal to one dollar less than the amount that would be subject to the excise tax. The reduction will occur only if the reduced amount, taking into account the payment of all applicable federal, state and local income taxes, is greater than the amount Mr. McVey would receive after payment of the excise tax, and all other applicable federal, state and local income taxes on such payments and benefits.

The agreement provides that Mr. Baillie will receive a base salary of £140,000 and that the payment of any bonus is in our absolute discretion. Mr. Baillie was guaranteed a minimum bonus of £250,000 for 2003, but there are no other guaranteed bonuses in the agreement. Mr. Baillie was granted an option to purchase 200,000 shares of our Common Stock at an exercise price of \$2.70 per share in accordance with the terms of our 2001 Stock Incentive Plan. The employment agreement also provided for a second option grant in the event certain performance goals were obtained. Mr. Baillie was granted an option to purchase 75,000 shares of our Common Stock at an exercise price of \$13.95 per share in connection therewith. Unless terminated for "cause," as defined in the employment agreement, Mr. Baillie is entitled to one month prior written notice of his termination, or one month of salary in lieu of such notice. The employment agreement also contains non-competition and confidentiality provisions. The terms of this agreement provide that Mr. Baillie will not compete with us through his participation in any business in competition with any business conducted by us until six months after the termination of his employment or service relationship with us.

Loans to executive officers of the Company

Prior to enactment of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") in July 2002, we made two loans to Richard M. McVey, our Chief Executive Officer and Chairman of our Board of Directors. We entered into restricted stock purchase agreements with Mr. McVey on June 11, 2001 and July 1, 2001, respectively, in connection with his compensation package. Pursuant to these agreements, we sold an aggregate of 289,581 shares of our Common Stock to Mr. McVey at a purchase price of \$3.60 per share. We loaned an aggregate of approximately \$1,042,488 to Mr. McVey to finance his purchase of these shares. Mr. McVey executed secured promissory notes with us to document these loans. These promissory notes bear interest at an average rate of 5.69% per annum. The principal and accrued interest on each of these promissory

[Table of Contents](#)

notes is due and payable as follows: (1) 20% of the principal and accrued interest is due on the sixth anniversary of the issuance date; (2) an equal amount is due on each of the seventh, eighth, ninth and tenth anniversaries of the issuance date; and (3) the balance is due on the eleventh anniversary of the issuance date. Mr. McVey may prepay all or any part of any note at any time without paying a premium or penalty. Promissory notes representing 80% of the aggregate purchase price are non-recourse and promissory notes representing 20% of the aggregate purchase price are full recourse. As security for his obligations under the promissory notes, Mr. McVey has pledged the 289,581 shares of our Common Stock acquired by him under the restricted stock purchase agreements described above.

The loans described in the preceding paragraph were entered into prior to the passage of the Sarbanes-Oxley Act. Because of the prohibitions against certain loans under Section 402 of the Sarbanes-Oxley Act, we will not modify any of these outstanding loans, nor will we enter into new loans with any of our directors or executive officers other than as permitted by applicable law at the time of the transaction.

EXECUTIVE COMPENSATION

Compensation

The following table sets forth all compensation received during each of the last three fiscal years by our Chief Executive Officer and each of our four other most highly compensated executive officers whose total compensation exceeded \$100,000 in each such fiscal year. These executives are referred to as our "Named Executive Officers" elsewhere in this report. Although bonus compensation was earned in the fiscal years indicated below, all bonus compensation was actually paid to each named executive in the fiscal year following the year in which it was earned.

(1) The column for "Other Annual Compensation" has been omitted because there is no compensation required to be reported in that column. The aggregate amount of perquisites and other personal benefits, securities or property received by the Named Executive Officers was less than either \$50,000 or 10.0% of the total annual salary and bonus reported for such Named Executive Officer, whichever is less.

(2) Includes cash bonuses paid to Named Executive Officers paid in 2006 with respect to the 2005 fiscal year, paid in 2005 with respect to the 2004 fiscal year and paid in 2004 with respect to the 2003 fiscal year.

Table of Contents

- (3) The value of the restricted stock award to Mr. McVey shown in the table that was granted on January 31, 2006 for the fiscal year ended December 31, 2005 was determined by multiplying the number of shares of restricted stock awarded by \$12.90, the closing price of the Company's Common Stock on NASDAQ on January 31, 2006. Each share of restricted stock represents a right to receive one share of the Company's Common Stock upon vesting. The default vesting schedule for the restricted stock grants is equal annual vesting over five years. Vesting may be accelerated if certain pre-approved performance targets are met or exceeded. Specifically, 34% of the shares can vest after the first year and 33% of the shares can vest after each of the second and third years if the performance targets are met or exceeded. If the targets are not met, then the default vesting schedule shall apply. In addition, all unvested restricted stock awards become fully vested upon a change in control. The restricted stock award is presently expected to constitute the only shares of restricted stock to be granted to Mr. McVey over the next three calendar years. This three-year approach is consistent with the Company's practice of making three-year grants to Mr. McVey as it did in 2000 and 2003. Mr. McVey remains eligible to receive future grants of stock options and other forms of equity awards.
- (4) The values of the restricted stock awards shown in the table (which were granted on January 6, 2005 for the fiscal year ended December 31, 2004) were determined for each Named Executive Officer, respectively, by multiplying the number of shares of restricted stock awarded to each Named Executive Officer by \$15.60 (the closing price of the Company's Common Stock on NASDAQ on January 5, 2005). Each share of restricted stock represents a right to receive one share of the Company's Common Stock upon vesting. The default vesting schedule for the restricted stock grants is equal annual vesting over five years. Vesting may be accelerated if certain pre-approved performance targets are met or exceeded. Specifically, 50% of the shares can vest after the first year and 50% of the shares can vest after the second year if the performance targets are met or exceeded. If only one of the two-year targets is achieved, then there is ratable vesting over the remaining period for the balance of the shares. If the targets are not met in either year, then the default vesting schedule shall apply. In addition, all unvested restricted stock awards become fully vested upon a change in control.
- (5) Represents the number of stock options granted on January 6, 2005 for the year ended December 31, 2004. Such options have an exercise price of \$15.60 per share (the closing price of the Company's Common Stock on NASDAQ on January 5, 2005), vest over a three-year period and have a ten-year term.
- (6) Mr. Thees' employment with us commenced in February 2005. His annualized base salary for 2005 was \$200,000.
- (7) The value of the restricted stock awards shown in the table was determined by multiplying the number of shares of restricted stock awarded to Mr. Thees by the price at which such shares were granted. Each share of restricted stock represents a right to receive one share of the Company's Common Stock upon vesting. Mr. Thees received two grants of restricted stock for the fiscal year ended December 31, 2005. On February 8, 2005, in connection with the commencement of his employment, Mr. Thees was granted an award of 10,000 shares of restricted stock at a price of \$11.40 per share (the closing price of the Company's Common Stock on NASDAQ on February 8, 2005). This grant of restricted stock vests in equal annual installments over a three-year period. On January 9, 2006, Mr. Thees was granted 30,000 shares of restricted stock at a price of \$11.18 per share (the closing price of the Company's Common Stock on NASDAQ on January 6, 2006). The default vesting schedule for this restricted stock grant is equal annual vesting over five years. Vesting may be accelerated if certain pre-approved performance targets are met or exceeded. Specifically, 34% of the shares can vest after the first year and 33% of the shares can vest after each of the second and third years if the performance targets are met or exceeded. If only one of the two-year targets is achieved, then there is ratable vesting over the remaining period for the balance of the shares. If the targets are not met in either year, then the default vesting schedule shall apply. In addition, all unvested restricted stock awards become fully vested upon a change in control.
- (8) Mr. Thees received three grants of stock options for the fiscal year ended December 31, 2005. On February 8, 2005, in connection with the commencement of his employment, Mr. Thees was granted

[Table of Contents](#)

225,000 stock options at an exercise price of \$11.40 per share. One-third of the stock options vest on the first anniversary of the grant and the remaining two thirds will vest and become exercisable in twenty-four equal monthly installments commencing thirteen months from the grant date. Also on February 8, 2005, Mr. Thees was granted 40,000 stock options at an exercise price of \$11.40 per share. One-third of the stock options vest on January 1, 2007 and the remaining two-thirds will vest and become exercisable in twenty-four equal monthly installments commencing February 1, 2007. Additionally, on January 9, 2006, Mr. Thees was granted 50,000 stock options at an exercise price of \$11.18 (the closing price of the Company's Common Stock on NASDAQ on January 6, 2006). These stock options vest over a three-year period. All stock options have a ten-year term.

- (9) Represents the number of stock options granted on January 9, 2006 for the year ended December 31, 2005. Such options have an exercise price of \$11.18 per share (the closing price of the Company's Common Stock on NASDAQ on January 6, 2006), vest over a three-year period and have a ten-year term.
- (10) Mr. Baillie is paid in Pounds Sterling. The amounts stated here have been translated at an exchange rate of \$1.8201, \$1.8898 and \$1.6349 per pound, which represent the average exchange rates during 2005, 2004 and 2003, respectively. Mr. Baillie's employment with us commenced in March 2003. His annualized base salary for 2005, 2004 and 2003 was 140,000 Pounds Sterling.
- (11) The values of the restricted stock awards shown in the table (which were granted on January 9, 2006 for the fiscal year ended December 31, 2005) were determined for each Named Executive Officer, respectively, by multiplying the number of shares of restricted stock awarded to each Named Executive Officer by \$11.18 (the closing price of the Company's Common Stock on NASDAQ on January 6, 2006). Each share of restricted stock represents a right to receive one share of the Company's Common Stock upon vesting. The default vesting schedule for the restricted stock grants is equal annual vesting over five years. Vesting may be accelerated if certain pre-approved performance targets are met or exceeded. Specifically, 34% of the shares can vest after the first year and 33% of the shares can vest after each of the second and third years if the performance targets are met or exceeded. If the targets are not met, then the default vesting schedule shall apply. In addition, all unvested restricted stock awards become fully vested upon a change in control.
- (12) Mr. Themelis' employment with us commenced in February 2004. Represents an option for 100,000 shares granted on February 25, 2004 at an exercise price of \$13.95 and an option for 40,000 shares granted on January 6, 2005 at an exercise price of \$15.60. Both options vest over a three-year period from the date of grant and have a ten-year term.

Stock option grants in last fiscal year

The following table sets forth information regarding exercisable and unexercisable stock options granted to each of the Named Executive Officers in the last fiscal year. No stock appreciation rights were granted to the Named Executive Officers during the year ended December 31, 2005. Potential realizable values are computed by (1) multiplying the number of shares of Common Stock subject to a given option by the assumed market value on the date of grant, (2) assuming that the aggregate stock value derived from that calculation compounds annually for the entire term of the option, and (3) subtracting from that result the aggregate option exercise price.

Name	Individual Grants(1)				Potential Realizable Value at Assumed Annual Rates of Stock Appreciation for Option Term	
	Number of Securities Underlying the Options Granted (#)(2)	% of Total Options Granted to Employees in Fiscal Year (%)	Exercise Price per Share(\$)	Expiration Date	5%(\$)	10%(\$)
Richard M. McVey	25,000	2.0%	\$ 15.60	1/06/15	245,269	621,560
Thomas M. Thees	265,000	21.6%	\$ 11.40	2/08/15	1,899,891	4,814,696

Nicholas Themelis	40,000	3.3%	\$ 15.60	1/06/15	392,430	994,495

- (1) In January 2006, we awarded options to purchase an additional 688,000 shares of Common Stock at an exercise price of \$11.18 per share, of which 140,000 were awarded to the Named Executive Officers listed in the table as follows: 50,000 to Mr. Thees, 25,000 to Mr. Baillie, 20,000 to Mr. Rucker and 45,000 to Mr. Themelis.
- (2) These options vest and become exercisable as follows: (i) one-third on the first anniversary of the date of grant and (ii) the balance in twenty-four equal monthly installments thereafter.

Aggregated option exercises in last fiscal year and fiscal year-end option values

One of our Named Executive Officers exercised options to purchase our Common Stock during the fiscal year ended December 31, 2005. The following table sets forth the number of shares of Common Stock subject to options and the value of such options held by each of our Named Executive Officers as of December 31, 2005.

Name	Shares Acquired on Exercise	Value Realized(1)	Number of Securities Underlying Unexercised Options at Fiscal Year-End		Value of Unexercised In-The-Money Options at Fiscal Year-End\$(2)	
			Exercisable	Unexercisable	Exercisable	Unexercisable

James N. B. Rucker	—	—	120,969	34,032	856,658	—
Nicholas Themelis	—	—	61,114	78,886	—	—

- (1) Value realized is defined as the fair market price of our Common Stock on the date of exercise less the exercise price, multiplied by the number of shares underlying the exercised options.
- (2) Value is defined as the fair market price of our Common Stock at December 30, 2005 less the exercise price, multiplied by the number of shares underlying the specific in-the-money options. On December 30, 2005, the closing selling price of a share of our Common Stock was \$11.43.

Compensation plans

For information with respect to the securities authorized for issuance under equity compensation plans, please see the section captioned "Securities Authorized for Issuance Under Equity Compensation Plans" in Item 12 of our Annual Report on Form 10-K for the year ended December 31, 2005, which is incorporated herein by reference and has been delivered to you with this Proxy Statement.

Compensation Committee interlocks and insider participation

The members of our Compensation Committee currently are Messrs. Lyski and Rohatyn. Neither of these individuals was (i) during the past fiscal year, an officer or employee of the Company or any of its subsidiaries, or (ii) formerly an officer of the Company or any of its subsidiaries. None of our executive officers currently serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors (the "Compensation Committee") is composed of two independent non-employee directors. The responsibilities of the Compensation Committee are set forth in its written charter (the "Charter"), which has been adopted by our Board of Directors. A copy of the Charter is available in the *Investors — Corporate Governance* section of the Company's website.

The duties of the Compensation Committee are, in part, to review and determine the salaries and bonuses of executive officers of the Company, including the Chief Executive Officer, and to establish the general compensation policies for such individuals. The Compensation Committee also has the sole and exclusive authority to make discretionary option grants (and other equity awards) to the Company's executive officers under the Company's Stock Incentive Plans.

The Compensation Committee believes that the compensation programs for the Company's executive officers should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company and should reward individual contribution to the Company's success. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals.

General Compensation Policy. The Compensation Committee's policy is to provide the Company's executive officers with compensation opportunities that are based upon their personal performance, the financial performance of the Company and their contribution to that performance and that are competitive enough to attract and retain highly skilled individuals. Generally, each executive officer's compensation package is comprised of three elements: (i) base salary that is competitive with the market and reflects individual performance, (ii) annual variable performance awards payable in cash and tied to the Company's achievement of annual financial performance goals and (iii) stock-based incentive awards designed to strengthen the mutuality of interests between the executive officers and the Company's stockholders. As an officer's level of responsibility increases, a greater proportion of his or her total compensation will be dependent upon the Company's financial performance and stock price appreciation rather than base salary.

Factors. The principal factors that were taken into account in establishing each executive officer's compensation package are described below. However, the Compensation Committee may in its discretion apply entirely different factors, such as different measures of financial performance, for future fiscal years.

Base Salary. In setting base salaries, the Compensation Committee reviewed published compensation survey data for our industry. The base salary for each officer reflects the salary levels for comparable positions in comparable companies, as well as the individual's personal performance and internal alignment considerations. The relative weight given to each factor varies with each individual in the sole discretion of the Compensation Committee. Each executive officer's base salary is reviewed each year on the basis of (i) the

[Table of Contents](#)

Compensation Committee's evaluation of the officer's personal performance for the year and (ii) the competitive marketplace for persons in comparable positions. The Company's performance and profitability may also be factors in determining the base salaries of executive officers.

Annual Incentives. Bonuses for executive officers are based on the Company's actual performance compared to plan and are generally paid under the Company's Annual Performance Incentive Plan.

Under the Annual Performance Incentive Plan, participants are eligible to receive individual bonus awards that may be expressed, at the Compensation Committee's discretion, as a fixed dollar amount, a percentage of base pay, or an amount determined pursuant to a formula. Individual bonus awards are contingent upon the attainment of certain pre-established performance targets established by the Compensation Committee. The individual awards will be paid after the end of the performance period in which they are earned after the Compensation Committee certifies that the applicable performance goals have been attained. Annual incentive payments for 2005 for the Named Executive Officers appear in the Summary Compensation Table in the column captioned "Bonus."

Stock-Based Incentives. Currently, restricted stock and stock option grants are made by the Compensation Committee to the Company's executive officers, generally upon hire, upon a material change in responsibilities or at other times at the discretion of the Compensation Committee. Each option grant is designed to align the interests of the executive officer with those of the stockholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in its business. Each grant allows the officer to acquire shares of the Company's Common Stock at a fixed price per share (generally the market price on the grant date) over a specified period of time (up to ten years). Generally, each option becomes exercisable in a series of installments over a three-year period, contingent upon the officer's continued employment with the Company. Accordingly, the option will provide a return to the executive officer only if he or she remains employed by the Company during the vesting period, and then only if the market price of the shares appreciates over the option term.

The size of the option grant to each executive officer is set by the Compensation Committee at a level that is intended to create a meaningful opportunity for stock ownership based upon the individual's current position with the Company, the individual's personal performance in recent periods and his or her potential for future responsibility and promotion over the option term. The Compensation Committee also takes into account the number of unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. The relevant weight given to each of these factors varies from individual to individual. Options granted during 2005 are shown above under the heading *Stock option grants in last fiscal year.*

Currently, grants of restricted stock generally vest over a five-year period, subject to accelerated vesting upon the Company's attainment of pre-established performance goals. The size of each restricted stock grant is set by the Compensation Committee in accordance with the criteria described above for stock options.

CEO Compensation. In setting the total compensation payable to the Company's Chief Executive Officer, the Compensation Committee sought to make that compensation competitive with the compensation paid to the chief executive officers of similar companies, while at the same time assuring that a significant percentage of compensation was tied to Company performance and stock price appreciation. Mr. McVey's base salary of \$300,000 was set in accordance with the new employment agreement entered into in March 2004. The Compensation Committee awarded Mr. McVey an annual bonus of \$700,000 with respect to 2005 performance, which was paid under the 2004 Annual Performance Incentive Plan.

A portion of Mr. McVey's compensation is also paid in the form of restricted stock and stock options in order to further align his compensation to Company performance and stock price appreciation. Specifically, Mr. McVey was granted 405,000 shares of restricted stock in January 2006. This grant is presently expected to constitute the only shares of restricted stock to be granted to Mr. McVey over the next three calendar years. This three-year approach is consistent with the Company's practice of making three-year grants to Mr. McVey as it did in 2000 and 2003. Mr. McVey remains eligible to receive future grants of stock options and other forms of equity awards.

Compliance with Internal Revenue Code Section 162(m). In general, Section 162(m) of the Internal Revenue Code of 1986, as amended, disallows a tax deduction to publicly-held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. In general, the deduction limit under Section 162(m) does not currently apply to the Company because, in general, Section 162(m) allows a three-year transition period after a company becomes publicly traded in connection with an initial public offering. However, the deduction limit will apply to any awards made under the Amended and Restated 2004 Stock Incentive Plan. Our policy with respect to the deductibility limit of Section 162(m) generally is to preserve the federal income tax deductibility of compensation paid when it is appropriate under the circumstances and is in the best interest of us and our stockholders. However, we reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate.

It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align the Company's performance and the interests of the Company's stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long term.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our related parties include our directors, director nominees, executive officers and holders of more than five percent of the outstanding shares of our Common Stock. Set forth in this section is information concerning transactions with our related parties.

Principal stockholder broker-dealer clients

Six of our broker-dealer clients or their affiliates each own more than five percent of the outstanding shares of our Common Stock. See "Security Ownership of Certain Beneficial Owners and Management." These broker-dealer clients are: Banc of America Securities, Bear Stearns, Credit Suisse, Deutsche Bank, JPMorgan and Lehman Brothers (collectively, the "Principal Stockholder Broker-Dealer Clients").

We have separate agreements with each of our broker-dealer clients including each of our Principal Stockholder Broker-Dealer Clients. These agreements govern each such broker-dealer's access to, and activity on, our electronic trading platform. The term of the agreements is generally three years, with automatic annual renewal thereafter unless notice to terminate is given by a party at least thirty days prior to automatic renewal. Under each agreement, the broker-dealer is granted a worldwide, non-exclusive and non-transferable license to use our electronic trading platform. The broker-dealer agrees to supply us, on a non-exclusive basis, with one or more of the following: indicative prices and quantities of a minimum number of fixed-income instruments for our inventory pages; new issue descriptions and content; and credit research reports. These agreements also govern use of and access to our electronic trading platform. We may only provide the pricing, research and other content provided by a broker-dealer to those of our institutional investor clients approved by the broker-dealer to receive such content. Additionally, institutional investors must be approved by a broker-dealer before being able to engage in transactions on our platform. These agreements also provide for the fees and expenses to be paid by the broker-dealers for their use of our electronic trading platform.

We have historically earned a substantial portion of our revenues from our Principal Stockholder Broker-Dealer Clients. In particular, for the year ended December 31, 2005, \$39.0 million (49.7% of our total revenues), were generated by our Principal Stockholder Broker-Dealer Clients.

Indemnification agreements

We have entered into an indemnification agreement with each of our outside directors. The indemnification agreements and our certificate of incorporation and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

Registration rights agreement

Our Principal Stockholder Broker-Dealer Clients, along with certain other holders of our Common Stock, are party to our sixth amended and restated registration rights agreement. Stockholders who are a party to this agreement are provided certain rights to demand registration of shares of Common Stock and to participate in a registration of our Common Stock that we may decide to do, from time to time. Generally, we have agreed to pay all expenses of any registration pursuant to the registration rights agreement, except for underwriters' discounts and commissions.

Appointment of one of our directors by one of our Principal Stockholder Broker-Dealer Clients

Mr. Hersch was originally appointed to our Board pursuant to the terms of an agreement among certain of our stockholders. This agreement terminated upon the initial public offering of our Common Stock.

OTHER MATTERS

Section 16(a) beneficial ownership reporting compliance

The members of our Board of Directors, our executive officers and persons who hold more than 10% of our outstanding Common Stock are subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, which requires them to file reports with respect to their ownership of our Common Stock and their transactions in such Common Stock. Based solely upon a review of (i) the copies of Section 16(a) reports that MarketAxess has received from such persons or entities for transactions in our Common Stock and their Common Stock holdings for the 2005 fiscal year, the Company believes that all reporting requirements under Section 16(a) for such fiscal year were met in a timely manner by its directors, executive officers and beneficial owners of more than 10% of its Common Stock, except that each of Messrs. McVey, Baillie, Rucker, Themelis and Ziegelbaum filed one late report with respect to the grants of shares of restricted stock and options to purchase shares of Common Stock on January 6, 2005.

Other matters

As of the date of this Proxy Statement, the Company knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed Proxy Card to vote the shares they represent as such persons deem advisable. Discretionary authority with respect to such other matters is granted by the execution of the enclosed proxy card.

Stockholder proposals for 2007 Annual Meeting

In order to be considered for inclusion in the Company's Proxy Statement and proxy card relating to the 2007 Annual Meeting of Stockholders, any proposal by a stockholder submitted pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, must be received by the Company at its principal executive offices in New York, New York, on or before December 29, 2006. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock which may be issued under this Plan.

(b) Individual Participant Limitations.

4.1.1.A The maximum number of shares of Common Stock subject to any Award of Stock Options, or Stock Appreciation Rights, or shares of Restricted Stock or Other Stock-Based Awards for which the grant of such Award or the lapse of the relevant Restriction Period is subject to the attainment of Performance Goals in accordance with Section 8.3.1.B herein which may be granted under this Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall be 950,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all types of Awards does not exceed 1,900,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) during any fiscal year of the Company. If a Tandem Stock Appreciation Right is granted or a Limited Stock Appreciation Right is granted in tandem with a Stock Option, it shall apply against the Eligible Employee's or Consultant's individual share limitations for both Stock Appreciation Rights and Stock Options.

4.1.1.B The maximum number of shares of Common Stock subject to any Award which may be granted under this Plan during any fiscal year of the Company to each Non-Employee Director shall be 50,000 shares (which shall be subject to any further increase or decrease pursuant to Section 4.2).

4.1.1.C There are no annual individual Eligible Employee or Consultant share limitations on Restricted Stock for which the grant of such Award or the lapse of the relevant Restriction Period is not subject to attainment of Performance Goals in accordance with Section 8.3.1.B hereof.

4.1.1.D The maximum number of shares of Common Stock subject to any Award of Performance Shares which may be granted under this Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall be 200,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company. Each Performance Share shall be referenced to one share of Common Stock.

Table of Contents

4.1.1.E The maximum value of the payment of Performance Units which may be granted under this Plan with respect to any fiscal year of the Company to each Eligible Employee or Consultant shall be \$500,000.

4.1.1.F The individual Participant limitations set forth in this Section 4.1(b) (other than 4.1.1.E) shall be cumulative; that is, to the extent that shares of Common Stock for which Awards are permitted to be granted to an Eligible Employee or a Consultant during a fiscal year are not covered by an Award to such Eligible Employee or Consultant in a fiscal year, the number of shares of Common Stock available for Awards to such Eligible Employee or Consultant shall automatically increase in the subsequent fiscal years during the term of the Plan until used.

4.2 Changes.

4.2.1 The existence of this Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate or (vi) any other corporate act or proceeding.

4.2.2 Subject to the provisions of Section 4.2.4, in the event of any such change in the capital structure or business of the Company by reason of any stock split, reverse stock split, stock dividend, extraordinary dividend (whether cash or stock), combination or reclassification of shares, recapitalization, merger, consolidation, spin-off, reorganization, partial or complete liquidation, issuance of rights or warrants to purchase any Common Stock or securities convertible into Common Stock, any sale or transfer of all or part of the Company's assets or business, or any other corporate transaction or event having an effect similar to any of the foregoing and effected without receipt of consideration by the Company and the Committee determines in good faith that an adjustment is necessary or appropriate under the Plan to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under the Plan, then the aggregate number and kind of shares that thereafter may be issued under this Plan, the number and kind of shares or other property (including cash) to be issued upon exercise of an outstanding Award or under other Awards granted under this Plan and the purchase price thereof shall be appropriately adjusted consistent with such change in such manner as the Committee may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under this Plan, and any such adjustment determined by the Committee in good faith shall be final, binding and conclusive on the Company and all Participants and employees and their respective heirs, executors, administrators, successors and assigns. In connection with any event described in this paragraph, the Committee may provide, in its sole discretion, for the cancellation of any outstanding Awards and payment in cash or other property in exchange therefor. Except as provided in this Section 4.2 or in the applicable Award agreement, a Participant shall have no rights by reason of any issuance by the Company of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend, any other increase or decrease in the number of shares of stock of any class, any sale or transfer of all or part of the Company's assets or business or any other change affecting the Company's capital structure or business.

4.2.3 Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2.1 or 4.2.2 shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half and rounding-up for fractions equal to or greater than one-half. No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of this Plan.

4.2.4 In the event of a merger or consolidation in which the Company is not the surviving entity or in the event of any transaction that results in the acquisition of substantially all of the Company's

Table of Contents

outstanding Common Stock by a single person or entity or by a group of persons and/or entities acting in concert, or in the event of the sale or transfer of all or substantially all of the Company's assets (all of the foregoing being referred to as an "Acquisition Event"), then the Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options, or Stock Appreciation Rights, or any Other Stock-Based Award that provides for a Participant elected exercise effective as of the date of the Acquisition Event, by delivering notice of termination to each Participant at least 20 days prior to the date of consummation of the Acquisition Event, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Acquisition Event, each such Participant shall have the right to exercise in full all of his or her Awards that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Award agreements), but any such exercise shall be contingent on the occurrence of the Acquisition Event, and, provided that, if the Acquisition Event does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void.

If an Acquisition Event occurs but the Committee does not terminate the outstanding Awards pursuant to this Section 4.2.4, then the provisions of Section 4.2.2 and Article 12 shall apply.

4.3 Minimum Purchase Price. Notwithstanding any provision of this Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under this Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.

ARTICLE 5

Eligibility

5.1 General Eligibility. All Eligible Employees, prospective employees and Consultants of the Company and its Affiliates, and Non-Employee Directors of the Company, are eligible to be granted Awards. Eligibility for the grant of Awards and actual participation in this Plan shall be determined by the Committee in its sole discretion.

5.2 Incentive Stock Options. Notwithstanding the foregoing, only Eligible Employees of the Company, its Subsidiaries and its Parent (if any) are eligible to be granted Incentive Stock Options under this Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in this Plan shall be determined by the Committee in its sole discretion.

5.3 General Requirement. The vesting and exercise of Awards granted to a prospective employee or consultant are conditioned upon such individual actually becoming an Eligible Employee or Consultant.

ARTICLE 6

Stock Options

6.1 Options. Stock Options may be granted alone or in addition to other Awards granted under this Plan. Each Stock Option granted under this Plan shall be of one of two types: (a) an Incentive Stock Option or (b) a Non-Qualified Stock Option.

6.2 Grants. The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options. The Committee shall have the authority to grant any Consultant or Non-Employee Director one or more Non-Qualified Stock Options. To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof which does not qualify shall constitute a separate Non-Qualified Stock Option.

6.3 Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, no term of this Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code,

[Table of Contents](#)

or, without the consent of the Participants affected, to disqualify any Incentive Stock Option under such Section 422.

6.4 Terms of Options. Options granted under this Plan shall be subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem desirable:

6.4.1 Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, 110%) of the Fair Market Value of the Common Stock at the time of grant.

6.4.2 Stock Option Term. The term of each Stock Option shall be fixed by the Committee, provided that no Stock Option shall be exercisable more than 10 years after the date the Option is granted; and provided further that the term of an Incentive Stock Option granted to a Ten Percent Stockholder shall not exceed five years.

6.4.3 Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that such Stock Option is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Stock Option may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. Unless otherwise determined by the Committee at grant, the Option agreement shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Stock Option, all Stock Options held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Stock Option, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of the Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one year period commencing on the date the Stock Option is exercised or becomes vested, the Company shall be entitled to recover from the Participant at any time within one year after such exercise or vesting, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter). The foregoing provisions described in subsections (i), (ii) and (iii) shall cease to apply upon a Change in Control.

6.4.4 Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection 6.4.3 above, to the extent vested, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) solely to the extent permitted by applicable law, if the Common Stock is traded on a national securities exchange, The Nasdaq Stock Market, Inc. or quoted on a national quotation system sponsored by the National Association of Securities Dealers, and the Committee authorizes, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee (including, without limitation, the relinquishment of Stock Options or by payment in full or in part in the form of Common Stock owned by the Participant based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee). No shares of Common Stock shall be issued until payment therefor, as provided herein, has been made or provided for.

6.4.5 Non-Transferability of Options. No Stock Option shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all Stock Options shall be

[Table of Contents](#)

exercisable, during the Participant's lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not Transferable pursuant to this Section is Transferable to a Family Member in whole or in part and in such circumstances, and under such conditions, as specified by the Committee. A Non-Qualified Stock Option that is Transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred otherwise than by will or by the laws of descent and distribution and (ii) remains subject to the terms of this Plan and the applicable Award agreement. Any shares of Common Stock acquired upon the exercise of a Non-Qualified Stock Option by a permissible transferee of a Non-Qualified Stock Option or a permissible transferee pursuant to a Transfer after the exercise of the Non-Qualified Stock Option shall be subject to the terms of this Plan and the applicable Award agreement.

6.4.6 Termination by Death, Disability or Retirement. Unless otherwise determined by the Committee at grant, or if no rights of the Participant are reduced, thereafter, if Participant's Termination is by reason of death, Disability or Retirement, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant (or, in the case of death, by the legal representative of the Participant's estate) at any time within a period of one year from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options; provided, however, that in the case of Retirement, if the Participant dies within such exercise period, all unexercised Stock Options held by such Participant shall thereafter be exercisable, to the extent to which they were exercisable at the time of death, for a period of one year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Options.

6.4.7 Involuntary Termination Without Cause or for Good Reason. Unless otherwise determined by the Committee at grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination is by involuntary termination without Cause or for Good Reason, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 90 days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

6.4.8 Voluntary Termination. Unless otherwise determined by the Committee at grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination is voluntary (other than a voluntary termination described in subsection 6.4.9(y) below), all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 30 days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

6.4.9 Termination for Cause. Unless otherwise determined by the Committee at grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination (x) is for Cause or (y) is a voluntary Termination (as provided in subsection 6.4.8 above) after the occurrence of an event that would be grounds for a Termination for Cause, all Stock Options, whether vested or not vested, that are held by such Participant shall thereupon terminate and expire as of the date of such Termination.

6.4.10 Unvested Stock Options. Unless otherwise determined by the Committee at grant, or if no rights of the Participant are reduced, thereafter, Stock Options that are not vested as of the date of a Participant's Termination for any reason shall terminate and expire as of the date of such Termination.

6.4.11 Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under this Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options. Should any provision of this Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend this Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

[Table of Contents](#)

6.4.12 Form, Modification, Extension and Renewal of Stock Options. Subject to the terms and conditions and within the limitations of this Plan, Stock Options shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may (i) modify, extend or renew outstanding Stock Options granted under this Plan (provided that the rights of a Participant are not reduced without his or her consent and provided further that such action does not subject the Stock Options to Section 409A of the Code without the consent of the Participant), and (ii) accept the surrender of outstanding Stock Options (up to the extent not theretofore exercised) and authorize the granting of new Stock Options in substitution therefor (to the extent not theretofore exercised). Notwithstanding the foregoing, an outstanding Option may not be modified to reduce the exercise price thereof nor may a new Option at a lower price be substituted for a surrendered Option (other than adjustments or substitutions in accordance with Section 4.2), unless such action is approved by the stockholders of the Company.

6.4.13 Buyout and Settlement Provisions. The Committee may at any time offer to buy out an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time that such offer is made; provided that such purchase of an Option shall be limited to no more than the Fair Market Value of the Option on the date of purchase.

6.4.14 Deferred Delivery of Common Shares. The Committee may in its discretion permit Participants to defer delivery of Common Stock acquired pursuant to a Participant's exercise of an Option in accordance with the terms and conditions established by the Committee in the applicable Award agreement.

6.4.15 Early Exercise. The Committee may provide that a Stock Option include a provision whereby the Participant may elect at any time before the Participant's Termination to exercise the Stock Option as to any part or all of the shares of Common Stock subject to the Stock Option prior to the full vesting of the Stock Option and such shares shall be subject to the provisions of Article 8 and treated as Restricted Stock. Any unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Committee determines to be appropriate.

6.4.16 Other Terms and Conditions. Stock Options may contain such other provisions, which shall not be inconsistent with any of the terms of this Plan, as the Committee shall deem appropriate including, without limitation, permitting "reloads" such that the same number of Stock Options are granted as the number of Stock Options exercised, shares used to pay for the exercise price of Stock Options or shares used to pay withholding taxes ("Reloads"). With respect to Reloads, the exercise price of the new Stock Option shall be the Fair Market Value on the date of the "reload" and the term of the Stock Option shall be the same as the remaining term of the Stock Options that are exercised, if applicable, or such other exercise price and term as determined by the Committee.

ARTICLE 7

Stock Appreciation Rights

7.1 Tandem Stock Appreciation Rights. Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a "Reference Stock Option") granted under this Plan ("Tandem Stock Appreciation Rights"). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

7.2 Terms and Conditions of Tandem Stock Appreciation Rights. Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, and the following:

7.2.1 Exercise Price. The exercise price per share of Common Stock subject to a Tandem Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per

Table of Contents

share exercise price of a Tandem Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

7.2.2 Term. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

7.2.3 Exercisability. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article 6, and shall be subject to the provisions of Section 6.4.3.

7.2.4 Method of Exercise. A Tandem Stock Appreciation Right may be exercised by the Participant by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 7.2. Stock Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the related Tandem Stock Appreciation Rights have been exercised.

7.2.5 Payment. Upon the exercise of a Tandem Stock Appreciation Right a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock over the Option exercise price per share specified in the Reference Stock Option agreement multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.

7.2.6 Deemed Exercise of Reference Stock Option. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article 4 of the Plan on the number of shares of Common Stock to be issued under the Plan.

7.2.7 Non-Transferability. Tandem Stock Appreciation Rights shall be Transferable only when and to the extent that the underlying Stock Option would be Transferable under Section 6.4.5 of the Plan.

7.3 Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights may also be granted without reference to any Stock Options granted under this Plan.

7.4 Terms and Conditions of Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, and the following:

7.4.1 Exercise Price. The exercise price per share of Common Stock subject to a Non-Tandem Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Non-Tandem Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

7.4.2 Term. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than 10 years after the date the right is granted.

7.4.3 Exercisability. Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the

Table of Contents

time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. Unless otherwise determined by the Committee at grant, the Award agreement shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Non-Tandem Stock Appreciation Right, all Non-Tandem Stock Appreciation Rights held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Non-Tandem Stock Appreciation Right, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of the Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one year period commencing on the date the Non-Tandem Stock Appreciation Right is exercised or becomes vested, the Company shall be entitled to recover from the Participant at any time within one year after such exercise or vesting, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter). The foregoing provisions described in subsections (i), (ii) and (iii) shall cease to apply upon a Change in Control.

7.4.4 Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection 7.4.3 above, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award agreement, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

7.4.5 Payment. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one share of Common Stock on the date the right was awarded to the Participant.

7.4.6 Non-Transferability. No Non-Tandem Stock Appreciation Rights shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant's lifetime, only by the Participant.

7.5 Limited Stock Appreciation Rights. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a Limited Stock Appreciation Right. Limited Stock Appreciation Rights may be exercised only upon the occurrence of a Change in Control or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive in cash and/or Common Stock, as determined by the Committee, an amount equal to the amount (i) set forth in Section 7.2.5 with respect to Tandem Stock Appreciation Rights or (ii) set forth in Section 7.4.5 with respect to Non-Tandem Stock Appreciation Rights.

ARTICLE 8

Restricted Stock

8.1 Awards of Restricted Stock. Shares of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Employees, Consultants and Non-Employee Directors, to whom, and the time or times at which, grants of Restricted Stock shall be made, the number of shares to be awarded, the price (if any) to be paid by the Participant (subject to Section 8.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards.

Unless otherwise determined by the Committee at grant, each Award of Restricted Stock shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one year period after, any vesting of Restricted Stock, the Committee may direct that all unvested Restricted Stock shall be immediately forfeited to the Company and that the Participant shall pay over to the Company an amount

Table of Contents

equal to the Fair Market Value at the time of vesting of any Restricted Stock which had vested in the period referred to above. The foregoing provision shall cease to apply upon a Change in Control.

The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance targets (including, the Performance Goals specified in Exhibit A attached hereto) or such other factors as the Committee may determine, in its sole discretion, including to comply with the requirements of Section 162(m) of the Code.

8.2 Awards and Certificates. Eligible Employees, Consultants and Non-Employee Directors selected to receive Restricted Stock shall not have any rights with respect to such Award, unless and until such Participant has delivered a fully executed copy of the agreement evidencing the Award to the Company and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

8.2.1 Purchase Price. The purchase price of Restricted Stock shall be fixed by the Committee. Subject to Section 4.3, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.

8.2.2 Acceptance. Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the grant date, by executing a Restricted Stock agreement and by paying whatever price (if any) the Committee has designated thereunder.

8.2.3 Legend. Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

"The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the MarketAxess Holdings Inc. (the "Company") 2004 Stock Incentive Plan, as amended and restated as of April 28, 2006 (the "Plan"), and an Agreement entered into between the registered owner and the Company dated . Copies of such Plan and Agreement are on file at the principal office of the Company."

8.2.4 Custody. If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

8.3 Restrictions and Conditions. The shares of Restricted Stock awarded pursuant to this Plan shall be subject to the following restrictions and conditions:

8.3.1 Restriction Period.

8.3.1.A The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under this Plan during the period or periods set by the Committee (the "Restriction Period") commencing on the date of such Award, as set forth in the Restricted Stock Award agreement and such agreement shall set forth a vesting schedule and any events which would accelerate vesting of the shares of Restricted Stock. Within these limits, based on service, attainment of performance goals pursuant to Section 8.3.1.B below and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of

Table of Contents

any Restricted Stock Award and/or waive the deferral limitations for all or any part of any Restricted Stock Award.

8.3.1.A Objective Performance Goals, Formulae or Standards. If the grant of shares of Restricted Stock or the lapse of restrictions is based on the attainment of performance goals, the Committee shall establish the objective performance goals and the applicable vesting percentage of the Restricted Stock applicable to each Participant or class of Participants in writing prior to the beginning of the applicable fiscal year or at such later date as otherwise determined by the Committee and while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. With regard to a Restricted Stock Award that is intended to comply with Section 162(m) of the Code, to the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable performance goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

8.3.2 Rights as a Stockholder. Except as provided in this subsection 8.3.2 and subsection 8.3.1 above and as otherwise determined by the Committee, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. The Committee may, in its sole discretion, determine at the time of grant that the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period.

8.3.3 Termination. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, subject to the applicable provisions of the Restricted Stock Award agreement and this Plan, upon a Participant's Termination for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

8.3.4 Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant, except as otherwise required by applicable law or other limitations imposed by the Committee.

ARTICLE 9

Unless otherwise determined by the Committee at grant, each Award of Performance Shares shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one year period after, any vesting of Performance Shares, the Committee may direct (at any time within one year thereafter) that all unvested Performance Shares shall be immediately forfeited to the Company and that the Participant shall pay over to the Company an amount equal to any gain the Participant realized from any Performance Shares which had vested in the period referred to above. The foregoing provision shall cease to apply upon a Change in Control.

Except as otherwise provided herein, the Committee shall condition the right to payment of any Performance Share upon the attainment of objective performance goals established pursuant to Section 9.2.3 below.

9.2 Terms and Conditions. Performance Shares awarded pursuant to this Article 9 shall be subject to the following terms and conditions:

9.2.1 Earning of Performance Share Award. At the expiration of the applicable Performance Period, the Committee shall determine the extent to which the performance goals established pursuant to Section 9.2.3 are achieved and the percentage of each Performance Share Award that has been earned.

9.2.2 Non-Transferability. Subject to the applicable provisions of the Award agreement and this Plan, Performance Shares may not be Transferred during the Performance Period.

9.2.3 Objective Performance Goals, Formulae or Standards. The Committee shall establish the objective performance goals for the earning of Performance Shares based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable performance goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

9.2.4 Dividends. Unless otherwise determined by the Committee at the time of grant, amounts equal to any dividends declared during the Performance Period with respect to the number of shares of Common Stock covered by a Performance Share will not be paid to the Participant.

9.2.5 Payment. Following the Committee's determination in accordance with subsection 9.2.1 above, shares of Common Stock or, as determined by the Committee in its sole discretion, the cash equivalent of such shares shall be delivered to the Eligible Employee, Consultant or Non-Employee Director, or his legal representative, in an amount equal to such individual's earned Performance Share. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Share and/or subject the payment of all or part of any Performance Share to additional vesting, forfeiture and deferral conditions as it deems appropriate.

9.2.6 Termination. Subject to the applicable provisions of the Award agreement and this Plan, upon a Participant's Termination for any reason during the Performance Period for a given Award, the Performance Shares in question will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant.

9.2.7 Accelerated Vesting. Based on service, performance and/or such other factors or criteria, if any, as the Committee may determine, the Committee may, at or after grant, accelerate the vesting of all or any part of any Performance Share Award.

The foregoing provision shall cease to apply upon a Change in Control.

Except as otherwise provided herein, the Committee shall condition the vesting of Performance Units upon the attainment of objective performance goals established pursuant to Section 10.2.1.

10.2 Terms and Conditions. The Performance Units awarded pursuant to this Article 10 shall be subject to the following terms and conditions:

10.2.1 Performance Goals. The Committee shall establish the objective performance goals for the earning of Performance Units based on a Performance Cycle applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Cycle or at such later date as permitted under Section 162(m) of the Code and while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable performance goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

10.2.2 Non-Transferability. Subject to the applicable provisions of the Award agreement and this Plan, Performance Unit Awards may not be Transferred.

10.2.3 Vesting. At the expiration of the Performance Cycle, the Committee shall determine the extent to which the performance goals have been achieved, and the percentage of the Performance Unit Award of each Participant that has vested.

10.2.4 Payment. Subject to the applicable provisions of the Award agreement and this Plan, at the expiration of the Performance Cycle, cash and/or share certificates of an equivalent value (as the Committee may determine in its sole discretion) shall be delivered to the Participant, or his legal representative, in payment of the vested Performance Units covered by the Performance Unit Award.

10.2.5 Termination. 10.2.6 Accelerated Vesting. Based on service, performance and/or such other factors or criteria, if any, as the Committee may determine, the Committee may, at or after grant, accelerate the vesting of all or any part of any Performance Unit and/or waive the deferral limitations for all or any part of such Award.

ARTICLE 11

The Committee may also provide for the grant of Common Stock under such Awards upon the completion of a specified performance period.

The Committee may condition the grant or vesting of Other Stock-Based Awards upon the attainment of specified performance criteria set forth on Exhibit A as the Committee may determine, in its sole discretion; provided that to the extent that such Other Stock-Based Awards are intended to comply with Section 162(m) of the Code, the Committee shall establish the objective performance goals for the grant or vesting of such Other Stock-Based Awards based on a performance period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable performance period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable performance goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

11.2 Terms and Conditions. Other Stock-Based Awards made pursuant to this Article 11 shall be subject to the following terms and conditions:

11.2.1 Non-Transferability. Subject to the applicable provisions of the Award agreement and this Plan, shares of Common Stock subject to Awards made under this Article 11 may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

12.1 **Benefits.** In the event of a Change in Control of the Company (as defined below), and except as otherwise provided by the Committee in an Award agreement, a Participant's unvested Award shall not vest and a Participant's Award shall be treated in accordance with one of the following methods as determined by the Committee:

12.1.1 Awards, whether or not then vested, shall be continued, assumed, have new rights substituted therefor or be treated in accordance with Section 4.2.4 hereof, as determined by the Committee, and restrictions to which any shares of Restricted Stock or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control and the Restricted Stock or other Award shall, where appropriate in the sole discretion of the Committee, receive the same distribution as other Common Stock on such terms as determined by the Committee; provided that, the Committee may decide to award additional Restricted Stock or other Award in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation § 1.424-1 (and any amendments thereto).

12.1.2 The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company or an Affiliate for an amount of cash equal to the excess of the Change in Control Price (as defined below) of the shares of Common Stock covered by such Awards, over the aggregate exercise price of such Awards. 13.1 Termination or Amendment. Notwithstanding any other provision of this Plan, the Board may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any regulatory requirement referred to in Article 15 or Section 409A of the Code), or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, provided further, without the approval of the holders of the Company's Common Stock entitled to vote in accordance with applicable law, no amendment may be made which would (i) increase the aggregate number of shares of Common Stock that may be issued under this Plan (except by operation of Section 4.2); (ii) increase the maximum individual Participant limitations for a fiscal year under Section 4.1(b) (except by operation of Section 4.2); (iii) change the classification of individuals eligible to receive Awards under this Plan; (iv) decrease the minimum option price of any Stock Option or Stock Appreciation Right; (v) extend the maximum option period under Section 6.4; (vi) alter the performance goals for Restricted Stock, Performance Units, Performance Shares or Other Stock-Based Awards as set forth in Exhibit A; (vii) award any Stock Option or Stock Appreciation Right in replacement of a canceled Stock Option or Stock Appreciation Right with a higher exercise price than the replacement award, except in accordance with Section 6.4.12; or (viii) require stockholder approval in order for this Plan to continue to comply with the applicable provisions of Section 162(m) of the Code or, to the extent applicable to Incentive Stock Options, Section 422 of the Code. In no event may this Plan be amended without the approval of the stockholders of the Company in accordance with the applicable laws of the State of Delaware to increase the aggregate number of shares of Common Stock that may be issued under this Plan, decrease the minimum exercise price of any Award, or to make any other amendment that would require stockholder approval under NASD Rule 4350(i)(1)(A) or such other rules of any exchange or system on which the Company's securities are listed or traded at the request of the Company. Notwithstanding anything herein to the contrary, the Board may amend the Plan or any Award agreement at any time without a Participant's consent to comply with applicable law including Section 409A of the Code.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article 4 above or as otherwise specifically provided herein, no such amendment or other action by the Committee shall impair the rights of any holder without the holder's consent.

by this Plan, the certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on Transfer.

All certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities exchange system upon whose system the Common Stock is then quoted, any applicable Federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

15.2 Other Plans. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

15.3 No Right to Employment/Directorship/ Consultancy. Neither this Plan nor the grant of any Option or other Award hereunder shall give any Participant or other employee, Consultant or Non-Employee Director any right with respect to continuance of employment, consultancy or directorship by the Company or any Affiliate, nor shall they be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed or a Consultant or Non-Employee Director is retained to terminate his or her employment, consultancy or directorship at any time.

15.4 Withholding of Taxes. The Company shall have the right to deduct from any payment to be made pursuant to this Plan, or to otherwise require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any Federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock (or other Award that is taxable upon vesting), or upon making an election under Section 83(b) of the Code, a Participant shall pay all required withholding to the Company. 15.6 Listing and Other Conditions.

15.6.1 Unless otherwise determined by the Committee, as long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issue of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

15.6.2 If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Option or other Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

Table of Contents

15.6.3 Upon termination of any period of suspension under this Section 15.6, any Award affected by such suspension which shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares which would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award.

15.6.4 A Participant shall be required to supply the Company with any certificates, representations and information that the Company requests and otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval the Company deems necessary or appropriate.

15.7 Stockholders Agreement and Other Requirements. Notwithstanding anything herein to the contrary, as a condition to the receipt of shares of Common Stock pursuant to an Award under this Plan, to the extent required by the Committee, the Participant shall execute and deliver a stockholder's agreement or such other documentation which shall set forth certain restrictions on transferability of the shares of Common Stock acquired upon exercise or purchase, and such other terms as the Board or Committee shall from time to time establish. Such stockholder's agreement or other documentation shall apply to the Common Stock acquired under the Plan and covered by such stockholder's agreement or other documentation. The Company may require, as a condition of exercise, the Participant to become a party to any other existing stockholder agreement (or other agreement).

15.8 Governing Law. This Plan and actions taken in connection herewith shall be governed and construed in accordance with the laws of the State of Delaware (regardless of the law that might otherwise govern under applicable Delaware principles of conflict of laws).

Wherever any words are used in this Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply.

15.10 Other Benefits. No Award granted or paid out under this Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

15.11 Costs. The Company shall bear all expenses associated with administering this Plan, including expenses of issuing Common Stock pursuant to any Awards hereunder.

The Committee may also require that the agreement of the transferee to be bound by all of the terms and conditions of the Plan.

15.14 Section 16(b) of the Exchange Act. All elections and transactions under this Plan by persons subject to Section 16 of the Exchange Act involving shares of Common Stock are intended to comply with any applicable exemptive condition under Rule 16b-3. The Committee may establish and adopt written administrative guidelines, designed to facilitate compliance with Section 16(b) of the Exchange Act, as it may deem necessary or proper for the administration and operation of this Plan and the transaction of business thereunder.

15.15 Section 409A of the Code. The Plan is intended to comply with the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent. STOCK OPTION AGREEMENT
PURSUANT TO THE
MARKETAXESS HOLDINGS INC.
2004 STOCK INCENTIVE PLAN
(AMENDED AND RESTATED EFFECTIVE APRIL 28, 2006)

AGREEMENT ("Agreement"), dated as of _____, 20 by and between MarketAxess Holdings Inc. (the "Company") and
(the "Participant").

Preliminary Statement

The Board of Directors of the Company (the "Board") or a committee appointed by the Board (the "Committee") to administer the MarketAxess Holdings Inc. 2004 Stock Incentive Plan (Amended and Restated effective April 28, 2006) (the "Plan"), has authorized this grant of an incentive stock option (the "Option") on _____, 20 (the "Grant Date") to purchase the number of shares of the Company's common stock, par value \$.003 per share (the "Common Stock") set forth below to the Participant, as an Eligible Employee of the Company or an Affiliate (collectively, the Company and all Subsidiaries and Parents of the Company shall be referred to as the "Employer"). Unless otherwise indicated, any capitalized term used but not defined herein shall have the meaning ascribed to such term in the Plan. A copy of the Plan has been delivered to the Participant. By signing and returning this Agreement, the Participant acknowledges having received and read a copy of the Plan and agrees to comply with it, this Agreement and all applicable laws and regulations.

Accordingly, the parties hereto agree as follows:

1. Tax Matters. The Option granted hereby is intended to qualify as an "incentive stock option" under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Notwithstanding the foregoing, the Option will not qualify as an "incentive stock option," among other events, (i) if the Participant disposes of the Common Stock acquired pursuant to the Option at any time during the two (2) year period following the date of this Agreement or the one (1) year period following the date on which the Option is exercised; (ii) except in the event of the Participant's death or disability, as defined in Section 22(e)(3) of the Code, if the Participant is not employed by the Company, any Subsidiary or any Parent at all times during the period beginning on the date of this Agreement and ending on the day three (3) months before the date of exercise of the Option; or (iii) to the extent the aggregate fair market value (determined as of the time the Option is granted) of the Common Stock subject to "incentive stock options" which become exercisable for the first time in any calendar year exceeds \$100,000. To the extent that the Option does not qualify as an "incentive stock option," it shall not effect the validity of the Option and shall constitute a separate non-qualified stock option.

2. Grant of Option. Subject in all respects to the Plan and the terms and conditions set forth herein and therein, the Participant is hereby granted an Option to purchase from the Company _____ shares of Common Stock, at a price per share of \$ _____ (the "Option Price").

3. Exercise. (a) Except as set forth in subsections (b) and (c) below, the Option shall vest and become exercisable as follows, provided that the Participant has not incurred a Termination prior to that date:

<u>Vesting Date</u>	<u>Number of Shares</u>
One year anniversary of the Grant Date	—
13 through 35 month anniversary of the Grant Date	—
36 month anniversary of the Grant Date	—

Table of Contents

To the extent that the Option has become vested and exercisable with respect to a number of shares of Common Stock as provided above, the Option may thereafter be exercised by the Participant, in whole or in part, at any time or from time to time prior to the expiration of the Option as provided herein and in accordance with Section 6.4(d) of the Plan, including, without limitation, by the filing of any written form of exercise notice as may be required by the Committee and payment in full of the Option Price multiplied by the number of shares of Common Stock underlying the portion of the Option exercised. Upon expiration of the Option, the Option shall be canceled and no longer exercisable.

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date.

(a) The Committee may, in its sole discretion, provide for accelerated vesting of the Option at any time.

(b) The provisions in Section 6.4(c) of the Plan regarding Detrimental Activity shall apply to the Option.

4. Option Term. The term of each Option shall be ten (10) years after the Grant Date, subject to earlier termination in the event of the Participant's Termination as specified in Section 5 below.

5. Termination.

Subject to the terms of the Plan and this Agreement, the Option, to the extent vested at the time of the Participant's Termination, shall remain exercisable as follows:

(a) In the event of the Participant's Termination by reason of death, Disability, or Retirement, the vested portion of the Option shall remain exercisable until the earlier of (i) one (1) year from the date of such Termination or (ii) the expiration of the stated term of the Option pursuant to Section 4 hereof; provided, however, that in the case of Retirement, if the Participant dies within such one (1) year exercise period, any unexercised Option held by the Participant shall thereafter be exercisable by the legal representative of the Participant's estate, to the extent to which it was exercisable at the time of death, for a period of one (1) year from the date of death, but in no event beyond the expiration of the stated term of the Option pursuant to Section 4 hereof.

(b) In the event of the Participant's involuntary Termination without Cause or for Good Reason, the vested portion of the Option shall remain exercisable until the earlier of (i) ninety (90) days from the date of such Termination or (ii) the expiration of the stated term of the Option pursuant to Section 4 hereof.

(c) In the event of the Participant's voluntary Termination (other than a voluntary termination described in Section 5(d) below), the vested portion of the Option shall remain exercisable until the earlier of (i) thirty (30) days from the date of such Termination or (ii) the expiration of the stated term of the Option pursuant to Section 4 hereof.

(d) In the event of the Participant's Termination for Cause or in the event of the Participant's voluntary Termination within ninety (90) days after an event that would be grounds for a Termination for Cause, the Participant's entire Option (whether or not vested) shall terminate and expire upon such Termination.

Any portion of the Option that is not vested as of the date of the Participant's Termination for any reason shall terminate and expire as of the date of such Termination.

6. Restriction on Transfer of Option. No part of the Option shall be Transferred other than by will or by the laws of descent and distribution and during the lifetime of the Participant, may be exercised only by the Participant or the Participant's guardian or legal representative. In addition, the Option shall not be assigned, negotiated, pledged or hypothecated in any way (except as provided by law or herein), and the Option shall not be subject to execution, attachment or similar process. Upon any attempt to Transfer the Option or in the event of any levy upon the Option by reason of any execution, attachment or similar process contrary to the

[Table of Contents](#)

provisions hereof, such transfer shall be void and of no effect and the Company shall have the right to disregard the same on its books and records and to issue "stop transfer" instructions to its transfer agent.

7. Rights as a Stockholder. The Participant shall have no rights as a stockholder with respect to any shares covered by the Option unless and until the Participant has become the holder of record of the shares, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of any such shares, except as otherwise specifically provided for in the Plan.

8. Provisions of Plan Control. This Agreement is subject to all the terms, conditions and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations and interpretations relating to the Plan as may be adopted by the Committee and as may be in effect from time to time. The Plan is incorporated herein by reference. If and to the extent that this Agreement conflicts or is inconsistent with the terms, conditions and provisions of the Plan, the Plan shall control, and this Agreement shall be deemed to be modified accordingly. This Agreement contains the entire understanding of the parties with respect to the subject matter hereof (other than any exercise notice or other documents expressly contemplated herein or in the Plan) and supersedes any prior agreements between the Company and the Participant with respect to the subject matter hereof.

9. Notices. Any notice or communication given hereunder shall be in writing and shall be deemed to have been duly given: (i) when delivered in person; (ii) two (2) days after being sent by United States mail; or (iii) on the first business day following the date of deposit if delivered by a nationally recognized overnight delivery service, to the appropriate party at the address set forth below (or such other address as the party shall from time to time specify):

If to the Company, to:

140 Broadway, 42nd Floor
New York, New York 10005
Attention: Compensation Committee

If to the Participant, to the address on file with the Company.

10. No Obligation to Continue Employment. This Agreement is not an agreement of employment. This Agreement does not guarantee that the Employer will employ the Participant for any specific time period, nor does it modify in any respect the Employer's right to terminate or modify the Participant's employment or compensation.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date and year first above written.
